In Appreciation	208

I am extremely happy that a teacher who has given so much of herself to Sierra and to her students has been honored at this time by the student body. In addition to being an outstanding teacher of her subject, Mrs. Elayne Wade is a person who takes the time to let you know she cares. She has helped to make Sierra a better place for students. My sincere congratulations to her on her accomplishments and recognition.

Robert L. Eicholtz
Principal

The real teacher leads you to the threshold of your own mind, and therefore, to those students who thought they came only for a view, she gives a vision — not only of what life is, but of what it can be.

Mrs. Kay Woudenberg
Faculty Friend

A teacher who teaches teachers
as well as students!
A teacher who is dedicated and
efficient!
A teacher who is *really* concerned
about her students!
A teacher who is called a "master
teacher" by her peers!
A teacher (spelled with a capital
"T") Mrs. Elayne Wade!!

Bill Toohey
Assistant Principal
Educational Services

Mrs. Wade is a lovely person and it is easy to feel at home with her. She is one of the few teachers at school who knows two sides of the school business — the teaching side and the secretarial side. Because Mrs. Wade was once a school secretary herself, she is able to appreciate us and our work to the fullest. We appreciate her in return!

Marilyn Parks
Principal's Secretary

Mrs. Elayne Wade

In Thanks and in Praise!

It is a tradition to dedicate each volume of the Oracle to an individual who has contributed unselfishly to the elevation of the educational standards at Sierra High School. Typically, this person's sense of responsibility and devotion to his students and their welfare is unsurpassed.

Schools are not built with bricks and books alone. They need people — People who have that drive and enthusiasm to carry on no matter what situation arises. People who are interested in the individual, not just a number that a computer gives. People who are willing to give part of themselves, no matter how demanding their time schedule is. Schools need these people who care.

Right here at Sierra, there is that type of person. Aside from being a very talented teacher, she is a wonderful human being. Always there when you need her, and willing to help "just that much more" at all times.

Recognized not only for popularity, she has served the life blood of Sierra, her students, with sincerity, interest, and monumental effort in academic as well as other supplementary activities.

In carrying out these duties, she has shown herself to be a person truly worthy of the respect which both her students and fellow teachers have given her.

This individual has many talents other than teaching. In addition to being a teacher, she has served as a secretary at Whittier High School for one year. She graduated from St. Benedict's College with a Bachelor's Degree in English and a minor in Speech. She was also a substitute teacher until she came to Sierra in 1962. She became Department Chairman for the Junior and Senior English Classes in 1965. She has also been a member of the Alternative School Committee. In all her years here, she has always worked closely with the PTA. She has served on many committees and has always been interested in extracurricular activities. She has even been an adviser for Fall Follies in addition to her many activities.

For her work as a teacher and as a friend, she will be remembered by Spartans long after graduation has signaled the completion of their high school educations.

In recognition of exceptional service to the students and respect to the ideals and philosophy of Sierra High School, the 1978 Oracle is gratefully dedicated to **Mrs. Elayne Wade**, outstanding teacher and friend.

In Memoriam

Mrs. Mary Quinn

Sierra students and faculty were shocked and saddened to hear of the passing of Mrs. Mary Quinn, Secretary in the Business and Activities Office, who died after a courageous battle with cancer. Mrs. Quinn was born and raised in Wisconsin and later moved to California. She worked in the Whittier Union High School District for 20 years, the last five were at Sierra. Mr. Edgar Brandt, Coordinator for Student Activities, commented: "It was a pleasure to work with Mary Quinn. She was an exceptionally loyal and dedicated worker who would go out of her way to help Sierra's students."

Her helpful attitude, cheerful smile and kind personality made her easy to love. She will be deeply missed on the Spartan campus.

Welcome Mr. Rock!

At the beginning of the 1977-'78 school year, Spartans were introduced to Mr. Del Rock, our Assistant Principal for Guidance. Mr. Rock replaced Mrs. Madeline Sorensen, who retired during the summer of '77.

Mr. Rock, a graduate of the University of California at Berkley, taught social studies at Pioneer High School from 1961 to 1969 and was a counselor at La Serna High School from 1970 to 1977.

Mr. Rock greatly enjoys working in Guidance and Counseling and looked forward to his new assignment at Sierra. In the process, he hoped to meet as many of the students and faculty as possible.

From the beginning of the 1977-'78 school year, Mr. Rock initiated plans for strengthening Sierra's Guidance program. Included in these plans was the addition of another counselor, bringing the total to five, to allow all students an opportunity to visit their counselors. The major goal of the new counseling system? To help students to be more successful both in school and in life in general.

Students at Sierra welcome Mr. Rock and wish him the best of luck in the years to come. Keep up the good work!

As we review the school year, we can look with pride at the many accomplishments of the members of our Spartan family. Because of your contributions, Sierra continues to be a school of which we can be very proud.

It is always very rewarding to have the opportunity to watch young people grow socially and academically as they live and experience their high school years. This year was no exception. I congratulate all of you on the progress you have made toward achieving the ultimate goal of maturity.

Senior Awards

George Harvey III
Gemco Scholarship in Economics

Many seniors have shown exceptional ability in the areas of scholarship, leadership, and service received awards from various businesses and community organizations. Unfortunately, due to the publications deadline, only those seniors who have earned awards prior to the first of April could be recognized in this book. Seniors receiving awards after this date received recognition through the school newspaper and at the Recognition Night Banquet, which was held on June 8.

Boys' State

Boys' State is a political science seminar held in Sacramento that lasts one week. It is a program sponsored annually by the American Legion. Junior boys are invited from all over the state to participate. There were 900 representatives this year.

This program educates the representatives in governmental procedures by having them set up their own government and running it.

1977-'78 Oracle Staff

Hello,

As you look through the Oracle, you will notice many captured moments of Sierra High's 1977-'78 year. The staff and I tried our best to produce a yearbook we could all be proud of. I think we succeeded at this, and I hope you feel the same way.

Love always,

Dear Spartans,

During my four years here at Sierra, I have served the student body through its newspaper, the Sword and Shield. This year just happened to be the first year our paper switched to computerized offset printing. This gives the paper an overall neater appearance which is a definite improvement over previous years.

As Editor-in-Chief, I have stressed the importance of producing an interesting and informative publication to my staff. They have done a fantastic job, and for that I thank them. I would also like to thank Lori Westbrook for her extra newswork which I could not have done without.

Finally, I would like to give special thanks to Mr. Pharaoh. He has put up with my sometimes intolerable concepts of journalistic writing.

Thanks, Sierra for a great four years (Somebody up there must like me).

With due respects,

The Senior Class

Dear Senior Class,

I'd like to take this opportunity to thank the Class of '78 for electing me its president for our senior year. It has been my most rewarding and my most memorable experience here at Sierra.

I'd like to thank my cabinet and council for making this a most successful year. Also, I would like to give special thanks to Mr. Abernathy for his help and support.

God bless and good luck,

Robert Espinoza

Dear Junior Class,

I'd like to start off by saying that this year was a great year for me. I had a lot of pressure put on me, but everything held together, and as you can see, the Junior Class put on the best prom in many years. I'd like to thank the Junior Class Council and officers Tommy, Patrick, and Daryl for all the effort they put into all the activities. I'd also like to give a special thanks to Mrs. Woudenberg and Mr. Brandt. I never could have done anything if they weren't there to show me what to do. In closing, I'd like to say that this is the greatest all around class, and I wouldn't change classes with anyone. We've only got one more year, so I hope everyone helps to make next year the greatest of our high school years. *Remember '79 is mighty fine.*

Thank you

Leon Williams

Sophomores

This year has been really successful for me because I feel I've accomplished my main goal and that was to bring our class together and to maintain the unity I've hoped for. I'm really glad that I had the chance to represent the Sophomore class. I thank Mr. Collins, Mr. Frey and Mr. Osburne for all their help and their interest in our class. Most of all, I'd like to thank you the people who voted for me. I hope this year has left you with memories as it has left me. We are indeed the strongest, the closest, and the most enthusiastic class, and with people like we have in council, it will never die. So to all of you, "Thanks and Good luck to you always."

Sincerely yours,

Mike Hernandez

Class Of '81

Dear Class of '81,

I'm really glad I had the pleasure of being elected president of your class this past year. First of all, I would like to thank my officers, Ray, Donna, Kelly, and our advisers for helping make this year a successful one. Secondly, I would like to thank the rest of the freshman class for giving me the support I needed. This year has been an honor I will never forget thanks to you.

Thanks,

Martin Serrano

Dear Student Body,

As another year here at Sierra comes and goes, some of us will stop and take a more careful look at it. For some of us, we won't be coming back to Sierra, and so we will go on and try to start our "adult" lives, taking on challenges and trying to accept life as a whole.

Our school days here at Sierra are over and it is now time to close the books and take one last look. Some of our friends we will never see again, others we will remember always. It is now time to mature and meet the challenges life has to offer. The special things, the friends, pep week, football and basketball games, Girls' League, Fall Follies and the Prom make our four years here most memorable ones, and they will live on and on in our minds.

I care a lot for this school. I've tried to do things I felt best, even though they may not have been the best solutions. It was an honor being your student body president; it taught me a great deal about leadership and people's feelings. It is something I will always remember and cherish the rest of my life.

May your life be filled with the same kind of love and friendships that have filled mine. Good luck at whatever you may do in life and may God Bless you and look out for you always. Paul and Cindy, thanks for your patience, love, and always sticking up for me when I needed it.

Sincerely,

Craig Ward

Well, it has been a long year, but it's gone by fast for me. I've had a great time here at Sierra these past four years, and it's sad to have to leave so soon. It has been a privilege for me to be Girls' League President. I have tried to do this job to the best of my ability.

I would like to give thanks to my terrific cabinet. We all have become closer to each other and stuck it out like sisters. I would also like to give thanks to all the girls at Sierra who have participated in the events we have held. They are also an important reason for a successful outcome of these events.

I am proud to say that every event we put on turned out great. Our Fall Follies this year was so much better than we expected, although there were girls rushing everywhere at the last minute. There are memories no one will ever forget. One person who should take all the credit is my 1st Vice President Rose Aguinaga. Without her this event wouldn't have been as successful. The Winter Formal turned out more than beautiful. Yolie Galvan worked on this event day and night. Our Sadie Hawkins Dance was also a success thanks to the help of Darlene Duardo.

These are all memorable moments that I will never forget. I wish next year's cabinet the best of luck.
Love and friendship always,

Laura M. Villanueva

1977-78 Spartanette Drill Team and Banneretts

Sierra's Drill Team has always been noted for its award winning precision and talent. The 1977-'78 school year was no exception. Beginning with camp in the summer and ending with the last game and drill team competition, the girls brought home honors and awards exemplifying the spirit and pride they gave the school. Although they were small in number, the Spartanette Drill Team was big in spirit, pride, and performance. They performed at each home game during the football and basketball seasons and with the Spartan band in numerous parades. Besides all the hard work preparing routines for parades and performances, they took part in many fund-raising activities.

The Sierra Bannerettes noted for their precision are part of the Pep Squads. They attend all basketball and football games, and perform with the band at half-times. They also team up with the band and march in competition parades, including the Indio Date Festival Parade and in the Whittier Christmas Parade. Besides all the hard work in preparing for each parade they took part in many fund raisers.

1977-'78

Spartan Band

Mr. Dick Johnson, who attended both the University of Minnesota and Mankato State University, came to us as our new Spartan Band Director after five years teaching experience in the Minneapolis Public Schools.

Mr. Johnson became Sierra's band director after the retirement of Mr. Orville Hinshaw, who led the band for the last fourteen years.

Mr. Johnson says that the Spartan Band is limited because of its size, but he has plans to build it up. He feels that the band offers students an opportunity to play and express themselves musically, and he is doing some recruiting to get more students involved. The band upheld some well-established traditions this year by performing at the Pomona Fair, the Whittier Band Jamboree, the Whittier Christmas Parade; and the Indio Date Festival.

Frosh-Soph Yell

1977-'78 has been a great year for the five pep squads here at Sierra. These pepsters have built the school spirit and pride sky high making Sierra famous for their pep units. At Hibbards Four-day summer competition, each squad took a first, second, and third place trophy. Varsity Yell, J.V. Yell, and Frosh-Soph Yell working together captured the Sweepstakes trophy for the overall top squads. Varsity Song besides the first, second, and third places also took a third place in the hardest working squad and were asked to perform at the December 4, LA Rams-Oakland game. Varsity Flags, new again at Sierra each took a first place for individual competition and for a new squad are doing extremely well.

In November at Arroyo Festival Competition Varsity Yell and J.V. Yell captured a first place, Frosh-Soph making finals. While Varsity Flags and Varsity Song were very close to the finals. The 1978 — January competition brought J.V. and Frosh-Soph another first place; a third for Varsity Yell and finals for Varsity Flags. Varsity Song Spirit was great for 1978.

Caprice Donadio
Pep Chairman

Well, I would like to start out thanking you for electing me to represent Pep Club. We showed a lot of school spirit at the games and had fun doing it. We had our ups and downs, but we always managed to do our best.

I hope next year's Pep Chairman will have as much fun as I did. Good Luck to all and keep the spirit Rising!

Thank you,

Caprice Donadio

Belles of the Month

Each month Themesians presents a special honor to those girls who stand out in the crowd. She must be friendly, outgoing and show a great deal of school spirit. She must have good citizenship, good academic achievements, and a neat appearance. She must also represent Sierra at all times on campus as well as off.

The last Belle chosen each year is the Belle of the Year. She must be a Senior and must have been a Belle once in her four years here at Sierra. She must have shown exceptional characteristics throughout her four years. This year's Belle of the Year is Laura Villanueva. She is 17 years old, has brunette hair and hazel eyes. She loves pizza, fries, and especially ice cream. She enjoys listening to James Taylor, Chicago, and Kenny Loggins. She's been involved in Fall Follies, Ski Club, Class Council, Drama, Art, and is President of the Girls' League Cabinet and is a member of the 1978 Oracle staff.

Bell, Book, And Candle

December 2 and 3, 1977

The Sierra Drama Department performed its first play of the 1977-78 season on December 2nd and 3rd at the Whittier Community Center Theatre when they opened with John Van Druten's play, *Bell, Book and Candle*, under the direction of Mr. Michael Noll.

This "bewitching" tale was set in modern-day New York and told of a witch who cast a spell on Shep Henderson to make him fall in love with her, causing him to hate her later when he discovered what she had done. However, in going along with all good love stories, he fell in love with her in the end.

The Truth About Cinderella

May 19 and 20

The Fine Arts Department's spring production was an entertaining switch of Cinderella in a musical comedy form, *The Truth About Cinderella*, based upon the book by June Walker Rogers.

The play is an upside down version of the original Cinderella story, with the stepmother and stepsisters trying to drag her away from her beloved housework to the ball. Instead of one fairy godmother, there are two — one who tells her that she must shape up and stop making everyone, especially herself, miserable, and the other who encourages Cinderella to upset everyone.

The play ends in the traditional manner with Cinderella getting her prince, but in an unfamiliar manner.
